

Post Graduation Checklist

By Laura Cooper Peterson

- After Graduating
 - Take time to research, decide on where you want to live after moving out.
 - Get out of your parents house.
 - Make a plan to pay off student loans.
 - Keep loan officers aware of your financial circumstances.
 - Make sure you get your health insurance.
- Search for a Job
 - Identify and find what and where you would like to begin your career.
 - Prepare your CV.
 - Look to your own college or university for guidance.
 - Check out search engines to find employment opportunities.
 - Contact people for informational interviews or short chats.
 - During the informationals, inquire about internships.
 - Don't overlook the power of human resources and your friends.
