

Attic Organization Checklist

By Nicole Nichols-West

- Organizing Your Attic
 - Create a separate area in a nearby room to bring items from the storage space.
 - Empty your attic out entirely.
 - Sweep or vacuum the storage space.
 - Go through everything - open every box and see if it is something that is worth keeping.
 - Throw away as much as you can.
 - Donate all items that are in good condition but you haven't used it in years.
 - Decide what to keep back into the attic.
 - Organize all items into specific areas.
 - Buy big plastic bins or sturdy boxes.
 - Clearly label each box so you can easily tell its contents.
 - Separate your holiday items.
 - Consider installing metal shelving.
 - Use hooks and pegs to bring order to disorder.
