By Checklist.com

- ☐ **Chairlift**
Ride an open chair uphill to Mount Gushmore beneath an umbrella canopy.
- ☐ **Cross Country Creek**
Float around the park on an inner tube, passing grottoes, bridges and splashing water features.
- ☐ **Downhill Double Dipper**
Two enclosed tube slides release riders from gates for a side-by-side downhill race.
- ☐ **Melt-Away Bay**
A heated wave pool sits below Mount Gushmore beside a sandy lounging area.
- ☐ **Runoff Rapids**
Choose from three downhill tube slides. The center route runs through an enclosed, dark course.
- ☐ **Ski Patrol Training Camp**
Test your balance on floating obstacles, slide into the water or take a T-bar splash drop in this activity area.
- ☐ **Slush Gusher**
A downhill body slide crosses two rolling hills on a snowbank-themed course.
- ☐ **Snow Stormers**
Riders lie headfirst on mats along three winding, slalom-themed slide routes.
- ☐ **Summit Plummet**
A steep body slide descends through a dark tunnel to a long spray-filled runout.
- ☐ **Teamboat Springs**
Share a raft as it turns and rotates down a broad whitewater slide.
- ☐ **Tike's Peak**
Frozen-themed wading pools, small slides and water jets create a play area for younger children.
- ☐ **Toboggan Racers**
Eight parallel lanes send riders headfirst on mats over dips and hills.
