Bride Checklist

By Sherry M. Lewis

	3-6	6 Months Before the Wedding
		Select your bridal dress.
		Have fittings for wedding gown.
		Purchase headpiece, veil, shoes, jewelry, and other accessories.
		Make an appointment with a consultant at beauty salon to schedule bridal services.
		Begin skincare treatment.
		Begin hair removal treatment.
		If you're thinking of changing your hair style or color, discuss it with you hair stylist.
		Begin conditioning treatments on damaged hair.
	1-2	2 Month Before the Weeding
		Have a final fitting for your dress.
		Make appointment with your hairstylist and have your hair cut and designed (if style is longer).
		Start your natural nail care.
		Have a pedicure.
		Have a trial make-up lesson.
		Have a trial hair styling (bring your veil and/or hair adornments).
		Complete all physical or dental appointments.
		Begin the teeth-whitening process if you plan to do so.
		Begin shopping for a trousseau.
		Prepare wedding vows.
		Plan a bachelorette party.
		Eat healthy and take care of yourself with exercise and plenty of sleep.
	1-2	2 Weeks Before the Wedding
		Have your hair cut and designed (if style is mid-length or shorter).
		If you have artificial nails, receive acrylic balance.
		Have a relaxing massage.
		Go for a color retouch.
		Have a hair removal treatment.

1-2	2 Days Before the Wedding	
	Receive manicure and pedicure, along with members of the bridal party.	
	For the wedding day be sure to have a button-down shirt to preserve your finished look.	
Wedding Day		
	Eat something.	
	Take a nice relaxing bath.	
	Fix hair or have it done at least three to four hours before the ceremony.	
	Allow plenty of time for make-up.	
	Start dressing one to one-and-a-half hours before ceremony.	
	Enjoy!
