- ☐ **Slinky Dog Dash**
Slinky Dog coaster trains travel over hills and around oversized toys in Andy's backyard.
- ☐ **Star Tours – The Adventures Continue**
A Starspeeder cabin pitches and moves with three-dimensional Star Wars scenes. Randomized adventures mean the journey can change between rides.
- ☐ **Star Wars: Rise of the Resistance**
Several ride systems carry recruits through a Resistance mission aboard a First Order Star Destroyer.
- ☐ **Toy Story Mania!**
Use a pull-string shooter to play three-dimensional Toy Story target games as your tram rotates between carnival-style scenes.
- ☐ **The Twilight Zone™ Tower of Terror**
Elevator-style vehicles enter ghostly hotel scenes before sudden powered rises and drops.
- ☐ **The Great Movie Ride**
Ride vehicles took visitors through recreations of familiar movie scenes.
- ☐ **Studio Backlot Tour**
A tram traveled through studio backlot areas and the special-effects demonstration in Catastrophe Canyon.
- ☐ **Rock 'n' Roller Coaster Starring Aerosmith**
A launched indoor coaster raced toward an Aerosmith concert with music accompanying the ride.
- ☐ **Monsters, Inc. door-vault coaster (working description)**
An announced suspended coaster will lift riders toward the Monsters, Inc. door vault.
- ☐ **Star Tours (original experience)**
Captain Rex piloted a simulator flight intended for Endor that took an unexpected route.
