

Disneyland Paris Rides Checklist

By Checklist.com

- ☐ **"It's a small world"**
A boat passes singing dolls and stylized scenes representing countries around the world.
- ☐ **Autopia, presented by Avis**
Steer a small retro-futuristic car around a winding roadway.
- ☐ **Big Thunder Mountain**
A mine train speeds around rocky slopes and through dark tunnels.
- ☐ **Blanche-Neige et les Sept Nains**
Mine-cart vehicles travel through scenes from Snow White and the Seven Dwarfs.
- ☐ **Buzz Lightyear Laser Blast**
Aim at Zurg targets from a vehicle that riders can turn as it follows the course.
- ☐ **Casey Jr. – le Petit Train du Cirque**
A circus-themed train follows an undulating track overlooking miniature storybook scenes.
- ☐ **Disneyland Railroad**
A steam train circles the park, with stations in several lands and short tunnel sections.
- ☐ **Dumbo the Flying Elephant**
Elephant-shaped vehicles circle a central hub while moving up and down.
- ☐ **Horse-Drawn Streetcars**
A horse pulls a streetcar along Main Street between the square and central plaza.
- ☐ **Indiana Jones and the Temple of Peril**
A mine-cart coaster twists through temple ruins and an inversion.
- ☐ **Le Carrousel de Lancelot**
A covered carousel offers carved horses and carriage seating.
- ☐ **Le Pays des Contes de Fées, presented by Vittel**
A boat cruises past small-scale settings from fairy tales and Disney films.
- ☐ **Les Voyages de Pinocchio**
Wooden-car vehicles follow Pinocchio through scenes from his story.
- ☐ **Mad Hatter's Tea Cups**
Turn the center wheel to adjust how quickly your teacup spins.
- ☐ **Main Street Vehicles**
Vintage-style motor vehicles carry passengers along Main Street.
- ☐ **Orbitron**
Rocket-shaped vehicles circle above Discoveryland around a model planetary system.
- ☐ **Peter Pan's Flight**
Suspended pirate ships travel above miniature London and scenes from Never Land.
- ☐ **Phantom Manor**
Guided vehicles follow a haunted-house story through ghostly rooms and scenes.
- ☐ **Pirates of the Caribbean**
A boat travels through pirate scenes with two water drops along the route.
- ☐ **Star Tours: The Adventures Continue**
A motion cabin and 3D film create a changing journey through the Star Wars galaxy.
- ☐ **Star Wars Hyperspace Mountain**
A launched coaster carries riders through a dark Star Wars space battle.
- ☐ **Thunder Mesa Riverboat Landing**
The Molly Brown paddleboat makes a scenic circuit around Frontierland's waterways.

☐ **Indian Canoes**

Guests paddled canoes along the Frontierland river.

☐ **River Rogue Keelboats**

Small keelboats carried passengers around the Frontierland waterways.

☐ **Les Pirouettes du Vieux Moulin**

Small bucket-shaped gondolas turned beside the Old Mill.

☐ **Star Tours (original attraction)**

The original Starspeeder simulator took riders on an adventure toward Endor with trainee pilot REX.
