Marvel Movies in Order

By Checklist.com

- [ ] Iron Man
  Tony Stark turns an escape plan into a suit of armor, then discovers that taking responsibility for his inventions may be his toughest challenge.
- [ ] The Incredible Hulk
  Bruce Banner searches for a way to control his transformations while a determined military pursuer closes in and a powerful new opponent emerges.
- [ ] Iron Man 2
  With his identity public, Tony faces pressure to hand over his technology while a rival with his own armored ambitions steps into the spotlight.
- [ ] Thor
  Banished to Earth, an impulsive Asgardian prince must learn what makes a hero while conflict grows in the realm he left behind.
- [ ] Captain America: The First Avenger
  Steve Rogers gets the chance to serve when an experimental program transforms him into a super soldier. His courage is tested against HYDRA during World War II.
- [ ] The Avengers
  Nick Fury brings together a combustible team of heroes to stop Loki. Learning to work together proves almost as difficult as facing the invasion.
- [ ] Iron Man 3
  An attack strips Tony of familiar comforts and forces him to rely on ingenuity as much as armor while protecting the people closest to him.
- [ ] Thor: The Dark World
  An ancient threat draws Jane Foster into a conflict spanning the realms. Thor turns to an unpredictable ally as the danger reaches Asgard.
- [ ] Captain America: The Winter Soldier
  Steve Rogers and Natasha Romanoff uncover a conspiracy in Washington. With trust in short supply, they face a formidable operative known as the Winter Soldier.
- [ ] Guardians of the Galaxy
  A stolen orb brings Peter Quill together with four unlikely companions. Their uneasy alliance becomes the galaxy's best chance against a destructive enemy.
- [ ] Avengers: Age of Ultron
  An attempt to build a peacekeeping intelligence creates a dangerous adversary. The Avengers regroup as new powers and old tensions complicate their mission.
- [ ] Ant-Man
  Scott Lang takes on a heist with unusually small margins for error after Hank Pym entrusts him with a suit that can shrink its wearer.
- [ ] Captain America: Civil War
  A proposal to oversee the Avengers divides Steve Rogers and Tony Stark. Competing loyalties turn a political disagreement into a deeply personal confrontation.
- [ ] Doctor Strange
  After an injury ends his surgical career, Stephen Strange searches for healing and discovers a world of mystical training, hidden dimensions and unfamiliar responsibilities.
- [ ] Guardians of the Galaxy Vol. 2
  Peter Quill explores his family history while the Guardians struggle to stay together. Their journey tests the difference between the family you inherit and the one you choose.
- [ ] Spider-Man: Homecoming
  Peter Parker juggles school and neighborhood heroics while hoping to impress Tony Stark. A weapons dealer called the Vulture gives him a dangerous opportunity to prove himself.
- [ ] Thor: Ragnarok
  Stranded on a distant world, Thor must escape a gladiatorial contest and find a way home before Hela brings catastrophe to Asgard.

- [ ] Black Panther

  T'Challa returns to Wakanda to lead his nation, but a challenge to the throne forces him to confront its history and decide what kind of king he will be.

- [ ] Avengers: Infinity War

  The Avengers and their allies battle across Earth and space to stop Thanos from assembling the Infinity Stones. Separate corners of the MCU converge in one enormous conflict.

- [ ] Ant-Man and the Wasp

  Scott Lang's efforts to balance family life with heroics are interrupted by an urgent mission with Hope van Dyne and Hank Pym into the possibilities of the Quantum Realm.

- [ ] Captain Marvel

  Carol Danvers lands on Earth in the 1990s and teams up with Nick Fury while a galactic conflict leads her to question her own past.

- [ ] Avengers: Endgame

  The surviving Avengers regroup after the events of Infinity War and attempt a daring mission that draws on everything they have experienced together.

- [ ] Spider-Man: Far From Home

  Peter hopes for a normal school trip through Europe, but Nick Fury recruits him to investigate strange attacks alongside a mysterious new hero.

- [ ] Black Widow

  Natasha Romanoff follows a conspiracy back to the people and training that shaped her. Reuniting with figures from her past brings unfinished business into the open.

- [ ] Shang-Chi and the Legend of the Ten Rings

  Shang-Chi's life in San Francisco is interrupted when his father's organization draws him home, where family tensions and a powerful legacy await.

- [ ] Eternals

  A group of immortal protectors who have lived among humanity for thousands of years reunite when an ancient enemy returns and their shared purpose comes into question.

- [ ] Spider-Man: No Way Home

  Peter asks Doctor Strange for help after his secret identity becomes public, opening a dangerous path across realities.

- [ ] Doctor Strange in the Multiverse of Madness

  Doctor Strange travels through unfamiliar realities with a young ally whose powers attract a dangerous pursuer. Each world presents a different version of what might have been.

- [ ] Thor: Love and Thunder

  Thor's search for peace is interrupted by Gorr the God Butcher. He joins Valkyrie, Korg and Jane Foster, now wielding Mjolnir, on a new quest.

- [ ] Black Panther: Wakanda Forever

  Wakanda's leaders face pressure from beyond their borders while mourning their king. Contact with an undersea nation brings a new challenge to their future.

- [ ] Ant-Man and the Wasp: Quantumania

  Scott, Hope and their family are pulled into the Quantum Realm, where unfamiliar communities and a powerful adversary turn exploration into a struggle to get home.

- [ ] Guardians of the Galaxy Vol. 3

  The Guardians rally around one of their own on a rescue mission that exposes a painful past and tests how far their found family will go for each other.

- [ ] The Marvels

  Carol Danvers, Monica Rambeau and Kamala Khan discover that their powers are linked. To face a shared threat, they must learn to coordinate across very different experiences.

- [ ] Deadpool & Wolverine

  Wade Wilson recruits a reluctant Wolverine for a dimension-hopping mission to protect his home, with clashing personalities making cooperation anything but straightforward.

- [ ] Captain America: Brave New World

  Sam Wilson, now carrying the Captain America mantle, becomes entangled in an international incident and works to uncover the forces behind it.

- [ ] Thunderbolts*

  A group of outsiders and former operatives are caught in a deadly trap. Working together offers a chance to survive and reconsider what they can become.

- [ ] The Fantastic Four: First Steps

  On a retro-futuristic 1960s Earth, the Fantastic Four balance family life with the arrival of Galactus and the Silver Surfer, whose presence threatens their world.

- [ ] Spider-Man: Brand New Day

  Four years after No Way Home, Peter Parker faces a new threat to New York while trying to hold on to a life beyond the mask. Changes to his powers complicate his increasingly demanding role as Spider-Man.
