## Pet Sitter Checklist

By Nicole Nichols-West

Be	fore Leaving your Pet
	Arrange an initial home visit to familiarise your pet with their new minder.
	Make sure the pet sitter and your pet get along together.
	Schedule for feeding & walking.
	Make sure to have plenty of food, litter and medical supplies available.
	Have all food, toys and cleaning equipment in easy to find locations.  Close any rooms you don't want your pets to access and lock if need
	be.
	Clean tanks, cages, kennels, etc just before pet sitter arrives.
	Leave contact details of where you'll be and the number for your vet.
	Have a neighbour, relative or friend who knows your pets well on standby.
Ge	tting your Pet Ready
	Ensure that your pet is licensed and has all the appropriate identification equipment
	If your pet has any health problems then get them taken care of.
	Have your per registered at the local animal shelters.
