

Universal Studios Florida Rides Checklist

By Checklist.com

- ☐ **Despicable Me Minion Mayhem**
Join Gru's training session in a moving theater, where Minion mishaps unfold on a large screen.
- ☐ **Illumination's Villain-Con Minion Blast**
Carry a blaster along a moving walkway and aim at digital targets during a villain convention.
- ☐ **TRANSFORMERS: The Ride-3D**
Board an Autobot vehicle for a moving, screen-filled battle with Decepticons through city streets.
- ☐ **Race Through New York Starring Jimmy Fallon**
A theater-sized vehicle simulates a race with Jimmy Fallon through New York and beyond.
- ☐ **Revenge of the Mummy**
A tomb expedition becomes an indoor coaster escape, with dark scenes, sudden launches and fiery effects.
- ☐ **Harry Potter and the Escape from Gringotts**
Descend beneath the wizarding bank in a coaster-style vehicle, combining physical sets with screen-based encounters.
- ☐ **Hogwarts Express – King's Cross Station**
Travel from London to Hogsmeade inside a train compartment, with magical scenes appearing outside the windows.
- ☐ **MEN IN BLACK Alien Attack**
Shoot at alien targets while your car travels through city scenes and spins during the training mission.
- ☐ **The Simpsons Ride**
A moving vehicle and giant screen send the Simpsons through a chaotic visit to Krustyland.
- ☐ **Kang & Kodos' Twirl 'n' Hurl**
Pilot a small flying saucer around the aliens, using the controls to raise or lower your vehicle.
- ☐ **Trolls Trollercoaster**
Ride the Caterbus around a compact outdoor track, passing colorful Trolls scenery and an oversized spiderweb.
- ☐ **E.T. Adventure**
Bicycle-shaped seats carry you through a forest, into the sky and onward to E.T.'s colorful home planet.
- ☐ **Hollywood Rip Ride Rockit**
A music-selecting coaster with a vertical lift and outdoor drops, remembered for its personalized onboard soundtrack.
- ☐ **Fast & Furious – Supercharged**
A party-bus expedition led into a screen-based car chase with characters from the Fast & Furious films.
- ☐ **Woody Woodpecker's Nuthouse Coaster**
A short outdoor coaster wound around a cartoon nut factory, with small drops and tight turns.
- ☐ **Fievel's Playland**
Oversized playground props, rope bridges and a raft water slide let children explore a world built at mouse scale.
- ☐ **Shrek 4-D**
Moving seats and theater effects accompanied Shrek and Donkey on a filmed rescue adventure with Princess Fiona.
- ☐ **Jaws**
A guided harbor boat tour encountered mechanical sharks and explosive effects around the fictional town of Amity.
- ☐ **Jimmy Neutron's Nicktoon Blast**
Rocket-shaped motion vehicles followed Jimmy Neutron through animated worlds on a chase involving familiar Nickelodeon characters.
- ☐ **Back to the Future – The Ride**
DeLorean-shaped vehicles simulated a time-travel chase through futuristic streets, icy landscapes and the age of dinosaurs.
- ☐ **Kongfrontation**
Suspended tram vehicles traveled above damaged city streets before coming face to face with a giant King Kong.
- ☐ **The Funtastic World of Hanna-Barbera**
A motion-simulator chase joined animated characters on a rescue mission through the worlds of Hanna-Barbera cartoons.

- ☐ **Earthquake: The Big One**
A subway vehicle entered an earthquake sequence with shaking scenery, fire and flooding after filmmaking demonstrations.
- ☐ **Disaster! – A Major Motion Picture Ride... Starring YOU**
Guests became movie extras before boarding a subway vehicle for a staged earthquake and a comic film finale.
- ☐ **Fast & Furious: Hollywood Drift**
An announced outdoor coaster will use rotating vehicles to simulate drifting through high-speed turns and a vertical spike.
- ☐ **The Bourne Stuntacular**
Live performers and large digital scenery combine in a staged Bourne chase featuring fights, falls and moving set pieces.
- ☐ **Universal Orlando's Horror Make-Up Show**
Hosts demonstrate movie-monster makeup and practical effects, mixing film history with comedy, staged surprises and audience participation.
- ☐ **Animal Actors On Location!**
Trained animal performers and their handlers demonstrate screen-ready behaviors during a seated stage show with audience participation.
- ☐ **DreamWorks Imagination Celebration**
A musical theater production brings DreamWorks characters into a story about rediscovering imagination through puppets, screens and live performers.
- ☐ **Po Live!**
An animated Po responds to visitors while attempting to teach kung fu, prepare food and supervise his younger cousin.
- ☐ **Shrek's Swamp for Little Ogres**
Explore Shrek-inspired climbing and play features around the swamp, with places for younger visitors to scramble and splash.
- ☐ **Mama Luna Feline Fiesta**
Buttons, cranks and other controls bring animated cats to life inside Mama Luna's colorful retirement home for felines.
- ☐ **King Harold's Swamp Symphony**
Step on lily-pad controls to trigger frog sounds and create your own musical sequence beside the swamp.
- ☐ **Poppy's Playground**
A Trolls-themed play space gives smaller children room to explore among colorful flowers and oversized character-inspired scenery.
- ☐ **Po's Kung Fu Training Camp**
Explore wet and dry Panda Village play spaces, including interactive water features and the spinning bowls at Noodle Kaboodle.
- ☐ **Celestina Warbeck and the Banshees**
A singer and backing performers present wizarding-world songs on the Carkitt Market stage, with several numbers in each set.
- ☐ **The Tales of Beedle the Bard**
Performers retell wizarding tales with puppets and portable scenery on the small Carkitt Market stage.
- ☐ **Ollivanders – Diagon Alley wand experience**
Watch a wandkeeper demonstrate how a wand chooses its wizard during a short performance inside the wand shop.
- ☐ **The Blues Brothers Show**
Jake and Elwood lead a street-side rhythm-and-blues set with supporting vocals and saxophone outside the New York buildings.
- ☐ **Beat Builders**
Construction-worker performers turn tools and scaffolding into percussion instruments for a rhythmic outdoor show beside the street.
- ☐ **¡Vamos! – Báilalo**
Dancers perform to Latin music in the street and invite the surrounding audience to join the movement.
- ☐ **Marilyn and the Diamond Bellas**
A Marilyn Monroe-inspired performer and dancers stage a movie-shoot-style musical routine on the Hollywood streets.
- ☐ **TWISTER...Ride It Out**
Visitors stood around a recreated storm scene as wind, fire and a simulated tornado demonstrated movie effects.
- ☐ **Fear Factor Live**
Audience volunteers performed challenge-style stunts inspired by the television competition in a large outdoor theater.

☐ **Beetlejuice Graveyard Revue**

Beetlejuice and Universal monster characters performed rock songs and comedy on a graveyard-themed stage.

☐ **Lucy – A Tribute**

An exhibition displayed costumes, clips and memorabilia tracing Lucille Ball's career in television and entertainment.

☐ **Terminator 2: 3-D – Battle Across Time**

Live actors moved between the stage and a 3-D film during a Cyberdyne presentation that became a battle.

☐ **A Day in the Park with Barney**

Barney and friends led a sing-along theater performance, with a children's indoor play area accompanying the show.

☐ **Curious George Goes to Town**

A colorful children's play zone combined water features and an enclosed ball-play area inspired by Curious George.

☐ **Alfred Hitchcock: The Art of Making Movies**

Film presentations and demonstrations explored Hitchcock's suspense techniques, with props and a post-show area extending the experience.

☐ **CineSational: A Symphonic Spectacular**

Movie scores accompany choreographed fountains and screen imagery across the lagoon during a large-scale evening production.
